## OF

# AUGUSTUS LANGDON, LL.B.

BARRISTER, OF LINCOLN'S INN.

In the following Catalogue the customary terms of commendation, such as "*fine*," "*rare*," &c., are used very sparingly. The condition of the Coins is generally allowed to speak for itself, except where the specimens are much better than those of the *same types* in most cabinets.

The utmost possible care has been taken to exclude all False Coins, except the instances in which they are so described.
